The Egyptian Dream
FW2019

THE EGYPTIAN DREAM COLLECTION

We chased the burning sun, followed the River Nile and landed in an Egyptian dream. It's here we became mesmerized by ancient hieroglyphics, blue oases and the contrasting warm colors of the desert. It felt only natural to create a collection that reflected our inspiration for the land of pyramids and pharaohs and breathe some middle eastern desert sunlight into the fall.

Our FW19 collection is a fata morgana of silver, gold, and gemstones, like White Quartz, Onyx, and Turquoise. Colors vary from sandy Sahara tones to oasis blue. Bedazzle everyone around you and wear everything at once to feel like a true Cleopatra.
